

Extract from a talk of ‘Abdu’l-Bahá

The love of God is spoken of as fire, for it burneth away the veils, and as water, for it is the source of life. In short, the love of God is the inmost reality of the virtues of the world of humanity. Through it, human nature is purified. Through the love of God, one is delivered from the defects of the human world. Through the love of God, one maketh progress in the realm of virtues. The love of God is the cause of the illumination of the world.
